## **IV. Matters to Report**

### **1. 2021 Employees' and Directors' Compensation**

Pursuant to Paragraph 1 of Article 26 of the Company's Articles of Incorporation, if the Company shows a net profit for the year, the Company shall allocate 0.01% to 3% of the profit as employees' compensation and not higher than 3% of the profit as directors' compensation.

The Company showed a profit of NTD 693,948,400 in 2021 (amounting to net income before taxes deducts profit before allocating employees' and directors' compensation). In accordance with the aforementioned rule, the Company proposes to allocate around 1.392%, which equals to NTD 9,660,000 in cash as employees' compensation and around 1.392%, which equals NTD 9,660,000 as directors' compensation.

## **2. 2021 Business and Financial Statements**

### **【 Business Report 】**

The Covid-19 pandemic continued to ravage the world in 2021. Domestically, the Covid-19 restrictions were tightened as the pandemic worsened to contain a potential outbreak. As the vaccination coverage increased in the latter half of the year, the Covid alert level lowered, and the relative restrictions loosened. This allowed the domestic economy to recover. Additionally, with low interest rates, returning capitals from overseas and domestic real estate boom, the Company's cement sales increased, aggregates and related storage and logistics operation improved. However, the Company's hotel business in Okinawa, Hotel Collective, and its domestic healthcare business still suffers from the impact of the Coronavirus. The operations did not performing as expected. Nevertheless, as vaccination coverage is increasing and Covid symptom becomes milder, the international community has started to adopt a coexistence strategy. The Company's hotel operation is seeing an optimistic future and improvements are expected.

The ongoing Okinawa Toyosaki Hotel development project has been slightly delayed due to the impact of the Covid-19 epidemic. The Company and InterContinental Hotels Group (IHG) are currently reviewing and revising the design plan and the possible market demand after the pandemic. In order to be more competitive and to see better investment returns, the Company will select the opportunity to contract out constructions of the development project.

**Main Investment:** Due to change of the overall economy change, Taiwan Cement Corporation, the Company's main investment, has accelerated the business transformation to focus its business strategy on "Environment Protection, Energy and Cement" as the three major core business. However, at current stage, cement sales mainly rely on revenue generated in Mainland China. In 2020, as impact caused by pandemic was limited, profit maintained steady and the Company received approximately NTD 1.09 Billion in cash dividends. Subsequently, in 2021, due to China government's policy on energy consumption and intensity dual control system as well as a large scale increase on raw materials costs, cash dividend yielded at about NTD 3.3 per share, which is lower compared to the previous year.

#### **1. Operating Performance:**

The Company's consolidated operating revenue in 2021 was NTD 2,220,254,000 showing an increase of NTD 161,837,000 or 7.9%, compared to NTD 2,058,417,000 in 2020.

#### **2. Main Production and Sales Distribution:**

(1) Sales of cement: In 2021, the Company sold 470,000 metric tons of cement in Taiwan.

- (2) Real estate leasing: The Company's leasing business main came from rental revenue of Chia Hsin Building, which has a comprehensive leasing rate of 95%.
- (3) Storage and logistic: The loading and unloading business of Taipei Port totaled 1.722 million metric tons of coal and 3.953 million metric tons of aggregate and other bulk cargoes. The loading and unloading business in Keelung and Taichung Port totaled 1.398 million metric tons of cement.
- (4) Hospitality service: The operating revenue in 2021 was approximately NTD 240 million which includes revenue from Chia Hsin Ryukyu Hotel Collective and JAHO Life Plus+.

### **3. Financial Report:**

The Company's consolidated net profit before tax was NTD 819,520,000 and showed a net profit after tax of NTD 747,535,000. The Consolidated net profit after tax was NTD 747,535,000; attributable to owners of Company was NTD 657,848,000 and profit per share (after tax) attributable to owners of the Company was NTD1.02. Total assets in the consolidated financial statements amounted to NTD 40,247,651,000 and total liabilities amounted to NTD 14,337,418,000. Current ratio was 400% and total equity attributable to owners of the Company was NTD 25,025,368,000 with self-owned capital ratio of 62%.

### INDEPENDENT AUDITORS' REPORT

The Board of Directors and Shareholders  
Chia Hsin Cement Corporation

#### Opinion

We have audited the accompanying consolidated financial statements of Chia Hsin Cement Corporation and its subsidiaries (collectively referred to as the "Group"), which comprise the consolidated balance sheets as of December 31, 2021 and 2020, the consolidated statements of comprehensive income, changes in equity and cash flows for the years then ended, and the notes to the consolidated financial statements, including a summary of significant accounting policies (collectively referred to as the "consolidated financial statements").

In our opinion, the accompanying consolidated financial statements present fairly, in all material respects, the consolidated financial position of the Group as of December 31, 2021 and 2020, and its consolidated financial performance and its consolidated cash flows for the years then ended in accordance with the Regulations Governing the Preparation of Financial Reports by Securities Issuers and International Financial Reporting Standards (IFRS), International Accounting Standards (IAS), IFRIC Interpretations (IFRIC), and SIC Interpretations (SIC) endorsed and issued into effect by the Financial Supervisory Commission of the Republic of China.

#### Basis for Opinion

We conducted our audits in accordance with the Regulations Governing Auditing and Attestation of Financial Statements by Certified Public Accountants and auditing standards generally accepted in the Republic of China. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group in accordance with The Norm of Professional Ethics for Certified Public Accountant of the Republic of China, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements for the year ended December 31, 2021. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Key audit matters of the Group's consolidated financial statements for the year ended December 31, 2021 are stated as follows:

**Key Audit Matter 1: Sales of Cement to the Main Clients**

The operating revenue of the Group mainly comes from the sale of cement. For the year ended December 31, 2021, the amount of revenue from the sales of cement was \$1,069,131 thousand, which accounted for 48% of the consolidated total operating revenue. Due to the concentration of sales to target clients in the Group's cement business and the materiality of the transactions, we considered the transactions with such clients as key audit matter.

For the relevant explanation of accounting policies and notes to the financial statements, refer to Notes 4 and 27.

Our key audit procedures performed in respect of the above area included the following:

1. We understood the design and implementation of internal controls over the sales of cement and tested the effectiveness of the relevant controls over sales transactions; we designed the audit procedures responsive to the risks identified.
2. We obtained the list of sales order from main clients and inspected the supporting documents, such as registration card for sale of cement and bills of lading, and verified the existence of the sales.
3. We analyzed the changes in the revenue, gross margin rate, turnover rate of accounts receivable and credit conditions from prior year to the current year.
4. We verified the occurrence of the sales by obtaining confirmation letters from the main clients; we performed alternative audit procedures for unreplyed letters.

**Key Audit Matter 2: Impairment of Property, Plant and Equipment**

As of December 31, 2021, the net carrying amount of property, plant and equipment of the hotel operated by the Group located in Ryukyu, Japan was NT\$4,181,457 thousand, representing 10% of total consolidated assets, which was material to the consolidated financial statements. Due to the impact of the COVID-19 on the overall economic trend of the industry, the actual operating performance of the hotel was lower than expected, which in turn affected the management's assessment of impairment of property, plant, and equipment. Since the information used in the assessment was subject to management's judgment and involved a high level of uncertainty, we identified the impairment of property, plant and equipment as a key audit matter.

Our key audit procedures performed in respect of the above area included the following:

We obtained from the management an impairment assessment report issued by an external expert, and we performed the following key audit procedures in connection with the above major transactions:

1. We obtained an understanding of the management's basis of assumptions and sources of relevant data and description used to estimate the value in use of the assets, and we assessed the reasonableness of management's adoption of such assumptions and data.
2. We assessed the appropriateness of the discount rates used by the external specialists in their valuation report.

3. We recalculated the value in use of the assets and verified that the calculation in the valuation report was accurate.

#### **Other Matter**

We have also audited the parent company only financial statements of Chia Hsin Cement Corporation as of and for the years ended December 31, 2021 and 2020 on which we have issued an unmodified opinion.

#### **Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements**

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with the Regulations Governing the Preparation of Financial Reports by Securities Issuers, and International Financial Reporting Standards (IFRS), International Accounting Standards (IAS), IFRIC Interpretations (IFRIC), and SIC Interpretations (SIC) endorsed and issued into effect by the Financial Supervisory Commission of the Republic of China, and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

Those charged with governance, including the audit committee, are responsible for overseeing the Group's financial reporting process.

#### **Auditors' Responsibilities for the Audit of the Consolidated Financial Statements**

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the auditing standards generally accepted in the Republic of China will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with the auditing standards generally accepted in the Republic of China, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

1. Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
2. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Group's internal control.

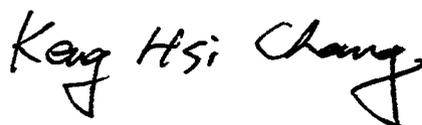

3. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
4. Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Group to cease to continue as a going concern.
5. Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
6. Obtain sufficient and appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision, and performance of the group audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements for the year ended December 31, 2021 and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

The engagement partners on the audits resulting in this independent auditors' report are Chiang Hsun Chen and Keng Hsi Chang.

### INDEPENDENT AUDITORS' REPORT

The Board of Directors and Shareholders  
Chia Hsin Cement Corporation

#### Opinion

We have audited the accompanying financial statements of Chia Hsin Cement Corporation (the "Company"), which comprise the balance sheets as of December 31, 2021 and 2020, the statements of comprehensive income, changes in equity and cash flows for the years then ended, and the notes to the financial statements, including a summary of significant accounting policies (collectively referred to as the "financial statements").

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Company as of December 31, 2021 and 2020, and its financial performance and its cash flows for the years then ended in accordance with the Regulations Governing the Preparation of Financial Reports by Securities Issuers.

#### Basis for Opinion

We conducted our audits in accordance with the Regulations Governing Auditing and Attestation of Financial Statements by Certified Public Accountants and auditing standards generally accepted in the Republic of China. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with The Norm of Professional Ethics for Certified Public Accountant of the Republic of China, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements for the year ended December 31, 2021. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Key audit matters of the Company's financial statements for the year ended December 31, 2021 are stated as follows:

##### Key Audit Matter 1: Sales of Cement to the Main Clients

The operating revenue of the Company mainly comes from the sales of cement. For the year ended December 31, 2021, the amount of revenue from the sales of cement was \$1,062,850 thousand, which accounted for 85% of the total operating revenue. Due to the concentration of sales to target clients in the Company's cement business and the materiality of the transactions, we considered the transactions with such clients as key audit matter.

For the relevant explanation of accounting policies and notes to the financial statements, refer to Notes 4 and 25.

Our key audit procedures performed in respect of the above area included the following:

1. We understood the design and implementation of internal controls over the sales of cement and tested the effectiveness of the relevant controls over sales transactions; we designed the audit procedures responsive to the risks identified.
2. We obtained the list of sales order from main clients and inspected the supporting documents, such as registration card for sale of cement and bills of lading, and verified the existence of the sales.
3. We analyzed the changes in the revenue, gross margin rate, turnover rate of accounts receivable, and credit conditions from prior year to the current year.
4. We verified the occurrence of the sales by obtaining confirmation letters from the main clients; we performed alternative audit procedures for unreplied letters.

Key Audit Matter 2: Impairment of Investment in Subsidiaries Accounted for Using the Equity Method

As of December 31, 2021, the net carrying amount of property, plant and equipment of CHC Ryukyu COLLECTIVE KK was NT\$4,181,457 thousand, which was material to the financial statements. Due to the impact of the COVID-19 on the overall economic trend of the industry, the actual operating performance was lower than expected, which in turn affected the management's assessment of impairment of property, plant, and equipment. Since the information used in the assessment was subject to management's judgment and involved a high level of uncertainty, it will affect the Company's recognition of the share of investment accounted for using the equity method; therefore, we identified the impairment of property, plant and equipment of the investment in subsidiaries accounted for using the equity method as a key audit matter.

Our key audit procedures performed in respect of the above area included the following:

We obtained from the management an impairment assessment report issued by an external expert, and we performed the following key audit procedures in connection with the above major transactions:

1. We obtained an understanding of the management's basis of assumptions and sources of relevant data and description used to estimate the value in use of the assets, and we assessed the reasonableness of management's adoption of such assumptions and data.
2. We assessed the appropriateness of the discount rates used by the external specialists in their valuation report.
3. We recalculated the value in use of the assets and verified that the calculation in the valuation report was accurate.

**Responsibilities of Management and Those Charged with Governance for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the Regulations Governing the Preparation of Financial Reports by Securities Issuers, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those charged with governance, including the audit committee, are responsible for overseeing the Company's financial reporting process.

### **Auditors' Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the auditing standards generally accepted in the Republic of China will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with the auditing standards generally accepted in the Republic of China, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

1. Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
2. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
3. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
4. Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Company to cease to continue as a going concern.
5. Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
6. Obtain sufficient and appropriate audit evidence regarding the financial information of the entities or business activities within the Company to express an opinion on the financial statements. We are responsible for the direction, supervision, and performance of the audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements for the year ended December 31, 2021 and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

The engagement partners on the audit resulting in this independent auditors' report are Chiang Hsun Chen and Keng Hsi Chang.

1. Table of 2021 earnings distribution is herewith made in accordance with Article 26 of the Company's Articles of Incorporation. Please refer to page 19.
2. Pursuant to Paragraph 3, Article 26 of the Articles of Incorporation, if the Company shown as net profit after tax of the current year, after offsetting the loss in previous years, and setting aside of a legal reserve and special reserve in accordance with the law, the remaining amount along with undistributed earnings shall be considered the distributable earnings of the current year.
3. The Company's Earnings in 2021 available for distribution is NTD 612,555,773 including 2021 net profit after tax of NTD 657,847,983, adding the reversal of special reserve appropriated by the first application IFRS rule of NTD 17,708,257, adding re-measurement of defined benefit plan recognized in retained earnings of NTD 4,583,728, adding retained earnings adjusted for investment accounted for using equity method of NTD 477,558 and less legal reserve required by law of NTD 68,061,753. It is proposed to set aside NTD 502,674,606 as dividend to shareholders (estimated NTD 0.65 cash dividend per share). The above dividend shall be first distributed from 2021 net profits after tax.
4. After the proposal of earnings distribution is adopted, if there is any buyback, transfer or cancellation of shares resulting in changes to the outstanding shares, it is proposed that the shareholders' meeting authorize the Chairman to fully execute the adjustment of the rate of distribution.
5. To authorize the Chairman of the Board with full powers to set the ex-dividend date and deal with distribution matters for cash dividend. The cash dividend distributed to each shareholder will be rounded down to the nearest whole number; all numbers after the decimal will be truncated. The total truncated amount will be recognized in "other income."
6. The proposal has been adopted by the Board of Directors of the Company and submitted to the Board and audited by the Audit Committee.
7. Please accept the aforementioned proposal.
