IV. Matters to Report

1. 2024 Employees' and Directors' Compensation

Pursuant to Paragraph 1 of Article 26 of the Company's Articles of Incorporation, if the Company shows a net profit for the year, the Company shall allocate 0.01% to 3% of the profit as employees' compensation and not higher than 3% of the profit as directors' compensation. However, the Company, when accumulated losses remain on the account, shall reserve a portion of its earnings to offset the losses first, then reserve the aforementioned compensation.

The Company showed a profit of NTD 314,197,000 in 2024 (amounting to net income before taxes deducts profit before allocating employees' and directors' compensation). In accordance with the aforementioned rule, the Company proposes to allocate around 2.71%, which equals to NTD 8,520,000 in cash as employees' compensation and around 2.71%, which equals NTD 8,520,000 as directors' compensation.

2. 2024 Business and Financial Statements

【 Business Report 】

In 2024, the global economy continued to face uncertainty. Geopolitical tensions, concerns over new policies introduced by President Trump, high inflation risks, higher interest rates, supply chain restructuring, increasingly severe climate change, and the advent of carbon pricing all presented multiple challenges, making business operations more difficult. Despite these obstacles, our company demonstrated solid operational resilience throughout 2024 and actively laid a foundation for future development.

Among our various business segments:

- Cement Business: Revenue declined by about 4% due to low-priced cement and clinker from Vietnam, as well as the Central Bank's seventh round of credit controls in the real estate market.
- Other Businesses: Revenues showed growth.
- Port Operations at Taipei Port: Apart from coal volumes remaining flat, bulk cargo operations increased, resulting in a 4% overall revenue growth.
- Real Estate Leasing: Following the land preparation and planning at our Gangshan site, the leased area continued to expand and rental rates were slightly adjusted upward, leading to a 5% increase in related revenues.
- Hospitality and Healthcare Services: A noticeable recovery was evident, especially benefiting from the depreciation of the Japanese yen and Japan's abundant tourism resources. In 2024, Japan recorded as many as 36.87 million foreign visitors, surpassing the historical high set in 2019. Coupled with Japan's already robust domestic travel market, Hotel Collective in Okinawa achieved excellent occupancy and room rates, driving a 12% increase in hospitality service revenue. This now accounts for nearly 27% of our total revenue, showcasing the initial success of our transformation strategy.

The operation status of our key investment-Taiwan Cement Corporation (hereinafter "TCC"):

- Due to the People's Bank of China lowering the reserve requirement ratio, cement demand in China increased; although prices remained sluggish, revenue from China still grew significantly compared to 2023.

- In Turkey’s cement market, performance stood out. In 2024, TCC spent a total of EUR 621 million to acquire OYAK’s stake, turning it into a 100%-owned subsidiary, which contributed to TCC’s outstanding revenue performance for the year. Our company received approximately TWD 356 million in cash dividends from TCC in 2024.

Additionally, following our sustainability roadmap and strategies, we launched various initiatives in 2024 and achieved initial results. Our efforts in implementing sustainable development, emphasizing talent cultivation, and caring for employees were recognized with sustainability-related awards organized by *CommonWealth Magazine*. Our 2023 Sustainability Report also once again received the Platinum Award in the “TCSA Taiwan Corporate Sustainability Awards.” Looking ahead, we will continue to deepen our efforts in this area.

I. Business Performance Overview

The company’s consolidated operating revenue in 2024 (including subsidiaries) was NTD 2,985,357,000, an increase of NTD 73,774,000 (2.5%) compared to NTD 2,911,583,000 in 2023.

II. Main Production and Sales Activities of the Company and Its Subsidiaries in 2024

1. Cement Sales

Sold 418,000 metric tons of cement in Taiwan.

2. Real Estate Leasing

Primary revenue comes from the Chia Hsin Building, with a comprehensive occupancy rate of 99%.

3. Stevedoring and Warehousing

Operations at Taipei Port: Discharged 1.102 million metric tons of coal and 4.815 million metric tons of east sand and other bulk cargo.

4. Hospitality Services

Main contributors include Hotel Collective in Ryukyu (Okinawa) and Jiahe Healthcare Co., Ltd., generating a combined hospitality revenue of approximately TWD 800 million in 2024.

III. Financial Report

The Company’s consolidated pre-tax net profit was NTD 385,784,000, the consolidated net income was NTD337,411,000, with net profit attributable to owners of the Company at NTD319,580,000. Diluted earnings per share attributable to the owners of the company (after tax) amounted to NT\$0.48. The consolidated net asset is

NT\$35,078,080,000, the total liabilities is NTD13,488,323,000, the current ratio is 337%, the total owner's equity to the Company is NT\$20,881,663,000, Capital Adequacy Ratio is 60% °

INDEPENDENT AUDITORS' REPORT

The Board of Directors and Shareholders
Chia Hsin Cement Corporation

Opinion

We have audited the accompanying consolidated financial statements of Chia Hsin Cement Corporation and its subsidiaries (collectively referred to as the “Group”), which comprise the consolidated balance sheets as of December 31, 2024 and 2023, and the consolidated statements of comprehensive income, changes in equity and cash flows for the years then ended, and notes to the consolidated financial statements, including material accounting policy information (collectively referred to as the “consolidated financial statements”).

In our opinion, the accompanying consolidated financial statements present fairly, in all material respects, the consolidated financial position of the Group as of December 31, 2024 and 2023, and its consolidated financial performance and its consolidated cash flows for the years then ended in accordance with the Regulations Governing the Preparation of Financial Reports by Securities Issuers and International Financial Reporting Standards (IFRS), International Accounting Standards (IAS), IFRIC Interpretations (IFRIC), and SIC Interpretations (SIC) endorsed and issued into effect by the Financial Supervisory Commission of the Republic of China.

Basis for Opinion

We conducted our audits in accordance with the Regulations Governing Financial Statement Audit and Attestation Engagements of Certified Public Accountants and the Standards on Auditing of the Republic of China. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group in accordance with The Norm of Professional Ethics for Certified Public Accountant of the Republic of China, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements for the year ended December 31, 2024. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

The key audit matter of the Group's consolidated financial statements for the year ended December 31, 2024 is stated as follows:

Impairment of Property, Plant and Equipment

As of December 31, 2024, the hotel operated by the Group and located in Ryukyu, Japan had not yet generated a profit. The net carrying amount of this hotel's property, plant and equipment was NT\$3,127,875 thousand, representing 8.9% of total consolidated assets, which was material to the consolidated financial statements. Management assesses the asset impairment of the property, plant and equipment. Since the recoverable amount in the impairment assessment involves subjective judgments based on various assumptions and estimates made by management, we identified the impairment of property, plant and equipment as a key audit matter.

Our key audit procedures performed with respect to the above area included the following:

We obtained an impairment assessment report from the management, and we performed the following key audit procedures in connection with the above major transactions:

1. We obtained an understanding of the management's basis of assumptions and sources of relevant data and descriptions used to estimate the value in use of the assets. We also assessed the reasonableness of management's adoption of these assumptions and data.
2. We assessed the appropriateness of the discount rates used in the impairment assessment report.
3. We recalculated the value in use of the assets and verified that the calculation in the valuation report was accurate.

Other Matter

We have also audited the parent company only financial statements of Chia Hsin Cement Corporation as of and for the years ended December 31, 2024 and 2023, on which we have issued an unmodified opinion.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with the Regulations Governing the Preparation of Financial Reports by Securities Issuers, and International Financial Reporting Standards (IFRS), International Accounting Standards (IAS), IFRIC Interpretations (IFRIC), and SIC Interpretations (SIC) endorsed and issued into effect by the Financial Supervisory Commission of the Republic of China, and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

Those charged with governance, including the audit committee, are responsible for overseeing the Group's financial reporting process.

Auditors' Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Standards on Auditing of the Republic of China will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with the Standards on Auditing of the Republic of China, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

1. Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
2. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Group's internal control.
3. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
4. Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Group to cease to continue as a going concern.
5. Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
6. Obtain sufficient and appropriate audit evidence regarding the financial information of entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision, and performance of the group audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements for the year ended December 31, 2024 and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

The engagement partners on the audits resulting in this independent auditors' report are Chiang Hsun Chen and Sheng Tai Liang.

The Board of Directors and Shareholders
Chia Hsin Cement Corporation

Opinion

We have audited the accompanying financial statements of Chia Hsin Cement Corporation (the "Company"), which comprise the balance sheets as of December 31, 2024 and 2023, and the statements of comprehensive income, changes in equity and cash flows for the years then ended, and notes to the financial statements, including material accounting policy information (collectively referred to as the "financial statements").

These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

The key audit matter of the Company's financial statements for the year ended December 31, 2024 is stated as follows:

Impairment of Investment in Subsidiaries Accounted for Using the Equity Method

As of December 31, 2024, CHC Ryukyu COLLECTIVE KK, a subsidiary accounted for using the equity method, had not yet generated a profit. The net carrying amount of property, plant and equipment of CHC Ryukyu COLLECTIVE KK was NT\$3,127,875 thousand, which was material to the financial statements. Management assessed the asset impairment of the subsidiary's property, plant and equipment. Since the recoverable amount in the impairment assessment involved subjective judgments based on various assumptions and estimates made by management, it will affect the Company's recognition of the share of investment accounted for using the equity method; therefore, we identified the impairment of property, plant and equipment of the investment in subsidiaries accounted for using the equity method as a key audit matter.

Our key audit procedures performed with respect to the above area included the following:

We obtained an impairment assessment report from the management, and we performed the following key audit procedures in connection with the above major transactions:

1. We obtained an understanding of the management's basis of assumptions, sources of relevant data and descriptions used to estimate the value in use of the assets. We also assessed the reasonableness of management's adoption of these assumptions and data.
2. We assessed the appropriateness of the discount rates used in the impairment assessment report.

【2. 2024 Earnings Distribution Proposal】

(Proposed by the Board of Directors)

Description:

1. Pursuant to Article 26 of the Company's Articles of Incorporation, the Table of 2024 Earnings Distribution is herewith made accordingly. (Please refer to Page 22)
2. Pursuant to Paragraph 3, Article 26 of the Articles of Incorporation, if the Company shows a profit after tax for the current year, after offsetting the loss in previous years, and setting aside of a legal reserve and special reserve in accordance with the law, the remaining amount along with undistributed earnings shall be considered as the distributable earnings of the current year.
3. The Company's Earnings in 2024 net profit after tax is NTD319,580,217, please refer to the Table of 2024 Earnings Distribution for the details. It is proposed to set aside NTD 434,636,102 as dividend to shareholders (estimated NTD 0.55 cash dividend per share). The above dividend shall be first distributed from 2024 net profits after tax.
4. After the proposal of earnings distribution is adopted, if there is any buyback, transfer or cancellation of shares resulting in changes to the outstanding shares, it is proposed that the shareholders' meeting authorize the Chairman to fully execute the adjustment of the rate of distribution.
5. To fully authorize Chairman of the Board to set the ex-dividend date and deal with distribution matters for cash dividend. The cash dividend distributed to each shareholder will be rounded down to the nearest whole number; all numbers after the decimal will be truncated. The total truncated amount will be recognized in "other income".
